GÎTE DESCRIPTION

In the heart of the Trièves region, halfway between Grenoble and Gap, a short distance from the Matheysine, Dévoluy and Champsaur areas, La Casa des Achards welcomes you to a mountain hamlet at an altitude of 920 metres, at the foot of the Grande Tête de l'Obiou. The house, an 18th-century Dauphinois-style farmhouse, was carefully restored in 2021 with respect for the environment (natural materials, wood-fired heating, constructed wetlands, rainwater harvesting). The gîte features a fully equipped kitchen, a living area and 3 separate bedrooms, each with its own en-suite bathroom. You will discover the beauty of the mountains and the benefits of a preserved natural environment in this spot, perfect for rest and relaxation, combining comfort and tranquillity.
